Our Commitment to You

Prior to providing you with any advice we will take time to understand your current financial goals and objectives, current circumstances and attitude to risk. We will write to you after the first meeting to confirm our discussion and to inform you whether a review is necessary and the attendant fees. You will not have incurred any charges or have made any commitment up to this point in our exchanges. Any advice recommendations will be confirmed to you in writing.

Client Classification

EJ Financial Limited classifies all clients as 'retail clients' for investment business and 'consumers' for non-investment insurance business which means you are afforded all of the protections under the rules of the Financial Conduct Authority (FCA). Should you wish to be classified differently for investment business then you should discuss this with your adviser. Your adviser will inform you should your circumstances dictate that we would need to classify you differently for non-investment insurance business.

Please note that should you wish to be considered as a different category of customer for investment business, such as a professional client or eligible counterparty you must inform us in writing. We will provide you with a new client agreement and you may lose a number of protections which will be outlined in that new agreement.

Methods of Communication

Unless you advise us otherwise, we will communicate with you via the following methods of communication, Face to Face, E-mail, Telephone, Letter & Fax.

Language

Please note that all our communications and documents will be provided to you in English only.

With our Client service provision - we will provide services to you as more fully outlined in our initial and post sales agreement.

However, we may contact you in the future by means of an unsolicited promotion should we wish to contact you to discuss the relative merits of an investment or service which we feel may be of interest to you

EJ Financial Limited **does not handle clients' money**. We never handle cash or accept a cheque made out to us (unless it is a cheque in settlement of charges or disbursements for which we have sent you an invoice).

Scope of Advice

Independent Advice

We will advise and make a recommendation for you after we have assessed your needs. Our recommendation will be based on a comprehensive and fair analysis of the market.

Non-investment Insurance

We offer products from a range of insurers on the basis of a fair analysis of the market, for example; for Term Assurance, Critical Illness and Income protection Policies

Conflicts of Interest

EJ Financial Limited offers advice in accordance with that disclosed to you in this agreement. Occasions may arise where we or one of our other clients have some form of interest in business being transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your interests, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

Best Execution

It is our policy to transact your business in order to achieve the best possible results in terms of the nature, placement and price of the products selected, transaction charges, administration and service excellence. Further details of our policy are available upon request.

Payment for Services

To ensure that you are always fully aware of our advice costs and how and when you are going to be asked to pay for this, we will always confirm this verbally and in writing to you, asking for your agreement by signing our fee agreement confirming the approximate amount and method of payment.

Generally we will ask you to pay for our services at the end of the advice process. This will be after we have completed an initial financial analysis of your current position and have agreed that we can provide advice to you.

Please note that if you have paid for our advice by way of a cheque, and you subsequently cancel the policy within the statutory cooling off period, we will not refund the fee received.

We offer the option to pay our fee by different methods (see below); we will agree which method of payment is most appropriate to your needs and confirm this to you in our Client Engagement letter. Our fees will become payable once we have agreed the services you will receive and once you accept our recommendation and we will confirm this to you in our Client Engagement documents.

Establishment Fees - Lump sum investment

Lump Sum Business

It is our company policy to offer you a choice on how you pay us the Establishment Fee on lump sum business. This can be by way of a separate cheque, payable to our firm or for you to agree to a deduction of our fee from the investment amount sent to a fund manager or provider prior to its investment.

In order to facilitate this, the provider will need explicit evidence that you have agreed to this method of payment and we shall ask you to confirm this in our client engagement documents for onward transmission to the provider.

Business that is transferred

If we advise you to transfer from one product to another, we may agree with you to pay the establishment fee by way of separate cheque or by deduction from the transferring fund to pay for our advice prior to its investment. To treat our customers fairly there may be times where we voluntarily suggest and agree to delay the deduction of our fees for improved tax efficiency e.g. a Capped Drawdown. In all cases, we will confirm the timing of any deduction(s) for our fees.

Payment by Fee (Initial Advice)

You pay us for our initial advice by way of a percentage of the funds invested. For Generic or Holistic advice, we reserve the right to charge an hourly rate.

Please note if you pay our fee by way of a separate cheque 100% of the investment amount will be invested but the payment may not be as tax efficient, as it may have come from already taxed income.

Example of our Establishment fee as a percentage of the funds invested or transferred is below.

Example Invested Amount	Typical charge on the first £100,000 is 3%,	Typical charge from £100,001 to £250,000 is 2%	Typical charge from £250,001 to £500,000 is 1%	Typical charge from £500,001 to £1,000,000 is 0.5%	Typical charge for £1,000,001 + is 0.25%	Total Fee	Amount Invested

£250,000	£3,000	£3,000				£6,000	£244,000

All figures quoted above are purely for example, the actual fee paid may be less or more than this and will depend on the complexity of the work undertaken and will be confirmed to you in our client engagement documents prior to any work being undertaken.

Hourly Rates

For Generic or Holistic advice, we reserve the right to charge an hourly rate.

Fees payable will be calculated by taking into account the number of hours required to undertake the work and the hourly rate of the individual carrying out the work.

If work is undertaken purely on an hourly rate basis you may also ask us not to exceed a given amount without checking with you first or we may agree a fixed fee for work undertaken.

The hourly rate for Mr Edward John Shaw is £250 per hour
